Dear sir/madam,

REF: APPLYING FOR A JOB AS A GENERAL
WORKER

With reference to the above subject, I write to be
considered for the job vacancy as a general worker.

I am a single female Zambian citizen aged 23 years
old. I completed my grade twelve in 2021 and I am a
reliable person, honest, hardworking and time oriented
individual.

Your response will be highly appreciated. Together
with this letter are copies of my grade twelve results and
NRC.

Yours faithfully
